

Information meeting on Artificial Intelligence topics in Horizon Europe and Digital Europe programmes

Date: 22 June, 12:00 – 13:00

Location: online

This meeting aims to inform about the funding opportunities in Artificial Intelligent (AI) related topics within the new European framework programmes: Horizon Europe and Digital Europe.

You will also receive the latest information about the status of Switzerland and an overview about the services provided by Euresearch.

After the presentations given by the National Contact Points Francesco Kienzle and Riccardo Scarinci on AI topics in Horizon Europe and Digital Europe programmes, you have the possibility to ask your questions.

Agenda:

12:00-12:05	Welcome	Andrea Emilio Rizzoli, Istituto Dalle Molle di studi sull'intelligenza artificiale (IDSIA)
12:05-12:15	Introduction of Euresearch Services and status of Switzerland	Loredana Alberti, Euresearch Ticino
12:15-12:30	AI related topics in Horizon Europe	Francesco Kienzle, NCP for Digital and European Innovation Council (EIC) Pathfinder
12:30-12:40	AI related topics in Digital Europe	Riccardo Scarinci, NCP for Digital, Mobility and Digital Europe Programme (DEP)
12:40-13:00	Q&A session	

This meeting is addressed to all researchers of University of Applied Sciences and Arts of Southern Switzerland (SUPSI) and Università della Svizzera italiana (USI).

The meeting is free of charge and registration is not mandatory. It will be held online at the following link:
